*Faith, Hope and Charity,
But the Greatest
of These Is
Charity.*

To Be a Nurse

To be a nurse is
To walk with God
Along the path that
The master trod;
To soothe the achings
Of human pain,
To faithfully serve
For little gain.
To lovingly do
The kindly deed,
A cup of water
To one in need.
A tender hand on
A fevered brow
A word of cheer to
The living now;
To teach the soul through
Its body's woe,
Ah! This is the way
The Lord would go.
O white-capped girls in
Dresses of white,
The great physician
Is working through you.

A. H. Lawrence

The 1965-1966 Caps and Capes Staff dedicates this edition to:

C.H.A.S.N., Charity Hospital Association of Student Nurses, is the professional organization of the students.

To prepare for our role as professional nurses, we must develop ourselves as well-rounded persons in all aspects of living--socially, culturally, mentally, and morally. CHASN provides an opportunity for students to develop themselves in this way by providing speakers, films, social activities, and service projects for its members.

Also membership enables the student to participate in nursing activities not only on a local level, but also the district, state, and national levels affiliated with this organization.

The Choral Club is designed for fun! There is no stipulation for membership other than a genuine love of music and an unafraid attitude toward hard work. Each Wednesday night, for a period of two hours, the group of more than forty, practice for the year's concerts. This club sponsored the Tulanians' Program for the second year, sang for the annual meeting of the Volunteers of CHNO, and presented a Christmas program and Spring Concert for the Student Body.

The hard work sacrificed by these girls brings them closer together into the unit of a great school--Charity.

Caps and Capes

Charity's Yearbook, *Caps and Capes*, is published annually by students interested in working on the book. Staff members are selected by the editor from those students who have had experience on yearbook staffs, or those who show ability, interest, and willingness to work.

Work begins on the book in September and continues until it is published in June. We have attempted to capture the highlights of this year which is the purpose of a yearbook. Our sincere wish is that as you look through these pages in years to come, a spark of school spirit will be rekindled and inspire you on to greater goals in life.

"Will we ever finish."
